EDUCATION

Doctor of Philosophy in Biology

CGPA: 3.77/4

Aug. 2024 – Current

Ashoka University, Sonipat

Master of Science in Ecology

CGPA: 9.58/10

Dec. 2022 – May 2024

Pondicherry University, Puducherry

Bachelor of Science in Zoology

CGPA: 8.16/10

July 2019 – June 2022

St. Xavier's College(Autonomous), Ahmedabad

Higher Secondary School

Percentage Obtained: 89.6

July 2018 – April 2019

Bethel Mission Higher Secondary School, Anuppur, M.P

High School

Percentage Obtained: 88.33

July 2016 – April 2017

Bharat Jyoti Vidyalyaya, Anuppur, M.P

RESEARCH EXPERIENCE

MASTER'S THESIS PROJECT

JAN. 2024 - MAY 2024

Title: Symphony of survival: A bioacoustic approach to studying mixed-species bird flocks in the eastern Himalayas

Advisors: Dr. K Sivakumar (Pondicherry University) and Dr. Umesh Srinivasan (IISc, Bangalore)

- Studied mixed species bird flock using Bioacoustics in Eastern Himalayas, Arunachal Pradesh, India.

SUMMER INTERN

APR 2022 - JULY 2022

Advisor: Dr. Umesh Shrinivasan (IISc, Bangalore)

- Estimated arthropod prey availability for insectivorous birds across an elevational gradient in the Eastern Himalayas (Eaglenest Wildlife Sanctuary, Arunachal Pradesh, India)

VOLUNTEER

FEB 2022

Kanha Bird Survey at Kanha Tiger Reserve, Madhya Pradesh, India

- Worked under the Wildlife and Nature Conservancy (WNC) Indore, for the annual bird count in Kanha Tiger Reserve, Madhya Pradesh, India.

VOLUNTEER

JULY 2021 - AUG 2021

Camera Trapping at Satpura-Pench Corridor, Madhya Pradesh, India

- Worked with the World Wildlife Fund for Nature (WWF) India, central Indian landscape team for the Occupancy survey and Camera trapping in the Satpura-Pench Tiger Reserve Corridor project, Madhya Pradesh, India.

VOLUNTEER

JUNE 2021

Occupancy Survey at Melghat Tiger Reserve, Maharashtra, India

- Volunteered in the second phase of the research project titled "Occupancy of tiger, co-predator and prey species in the Satpuda-Melghat Corridor" under Wildlife Research and Conservation Society, Pune, Maharashtra, India.

INTERN

MAY 2021

GIS and Remote Sensing Training at WALMI, Madhya Pradesh, India

- Interned with the Water and Land Management Institute Bhopal, Madhya Pradesh, India for GIS and Remote Sensing.

VOLUNTEER

MARCH 2021

Wildlife Tourism Volunteer at Kanha Tiger Reserve, Madhya Pradesh, India

- Worked with Centre for Wildlife Sciences as a fieldwork volunteer and helped to collect data for the Research project titled "Examining nature viewing preferences of tourists visiting Indian protected areas".

VOLUNTEER

MARCH 2021

Vulture Census, Anuppur, Madhya Pradesh, India

- Worked with the Madhya Pradesh Forest Department for the Vulture Census in the Anuppur, Madhya Pradesh, India.

FIELD ASSISTANT

JAN 2021 - FEB 2021

CAMPA DUGONG Conservation Project at Marine National Park, India

- Worked as a field assistant in the Wildlife Institute of India (WII), Dehradun project entitled 'CAMPA-Recovery of Dugongs and their habitats in India' and assisted the research team at Gulf of Kutch, Gujarat, India in conducting field surveys, awareness programs as well sorting seagrass associated macrobenthic fauna.

INTERN

JAN 2021

People's Biodiversity Register (PBR) in the Achanakmar Tiger Reserve, Chhattisgarh, India

- Worked with the Chhattisgarh Forest Department and the Foundation for Revitalization of Local Health Traditions(FRLHT) Bangalore, India for the documentation of Rural PBR in the Core region of the Tiger Reserve.

VOLUNTEER

OCT 2020

Occupancy Survey at Satpura Tiger Reserve, Madhya Pradesh, India

- Volunteered the research project titled "Occupancy of tiger, co-predator and prey species in the Satpuda-Melghat Corridor" under Wildlife Research and Conservation Society, Pune, Maharashtra, India.

INTERN

MARCH 2020 - SEPT. 2020

People's Biodiversity Register (PBR) Documentation at Haryana, India

- Worked with the Haryana Forest Department and the Foundation for Revitalization of Local Health Traditions(FRLHT) Bangalore for the documentation of the Rural and Urban Peoples Biodiversity Register (PBR) of the three districts of State Haryana, India.

TEACHING EXPERIENCE

Graduate Assistant

Jan. 2025 – May. 2025

Ashoka University, Sonapat

- **Life in the Neighbourhood (Undergraduate Course, 2025):** Assisted with course design and delivery; independently taught two sessions on topics including bioacoustics, birding, and behavioural experiments using model systems such as fishes, ants, spiders, and zooplankton. Guided students in practical field and lab modules.
- **Ecological Methods and Application (Graduate Course, 2025):** Assisted and taught sessions focused on practical applications of bioacoustics, occupancy modelling, camera trapping, and behavioural experiments (especially with ants).

SKILLS

- **Field Skills:** Camera Trapping, Sign Survey, Biodiversity Assessment, Bioacoustics, Mist Netting & Bird Ringing, VIE Tagging
- **Technical Skills:** Network Analysis, Spatial Analysis, Image and Video Processing
- **Software skills:** ArcGIS, QGIS, R language, Raven Pro, Audacity, MS PowerBI, MS Excel, MS PowerPoint, Python (Basics), BORIS and L^AT_EX.
- **Language Skills:** English (Professional Proficiency), Hindi (Native Proficiency), Gujarati, Marathi (Conversational Proficiency).

COURSEWORKS AND WORKSHOPS

- **Bat Taxonomy, Acoustics and Biogeography** (Workshop),
Dept. of Wildlife Biology, KSCSTE-Kerala Forest Research Institute, Thrissur, Kerala, India APRIL 2024
- **RS and GIS Applications on Biodiversity Conservation and Management** (Workshop),
Aligarh Muslim University, Aligarh, (U.P), India OCTOBER 2021
- **Basis of Conservation** (Course),
Green Works Trust, Mumbai, (M.H), India AUGUST 2020
- **Basis of Rescue and Rehabilitation of Freshwater Macrofauna in Ganga Basin** (Course),
Wildlife Institute of India , Dehradun, (U.K), India JUNE 2020
- **Basis of Organic Farming** (Course),
Department of Botany and IQAC, Athalye Sapre Pitre, Devrukh, (M.H), India JUNE 2020
- **Understanding Snakes** (Workshop),
Nidus and Foundation For Biodiversity Conservation, India MAY 2020

CONFERENCES

- **Association for the Study of Animal Behaviour Winter Conference 2025**– Delivered a talk titled “A Song to Die for: Acoustic Eavesdropping by Mosquitoes on Anuran Calls in the Western Ghats, India” at the Edinburgh Royal College of Physicians, Edinburgh, UK (**Dec 2025**)
- **International Ethological Congress on Behaviour 2025**– Delivered an oral presentation titled “Vocal Species are More Central in Eastern Himalayan Mixed-Species Bird Flocks” at the Collaborations in Nature symposium during the International Congress on Behaviour, Kolkata, India. (**August 2025**)
- **Indian Wildlife Ecology Conference**– Presented my master’s thesis work in the open session at the National Centre for Biological Sciences Bangalore, India, titled “Symphony of Survival: Bioacoustic Approach to understanding Mixed-species bird flocks in Eastern Himalayas (**June 2024**)
- **Student Conference on Conservation Science (SCCS)** -Participated in workshops ranging from Bio-acoustics, R programming to Behavioural Sciences (**October 2024**)
- **National Conference on Education for Sustainable Development** – Attended the national level conference conducted by Bharati Vidyapeeth(Deemed to be)University, Institute of Environment Education and Research, Pune, Maharashtra in collaboration with Engagement Global, Germany at BVIEER, Pune, India. (**December 2022**)
- **SCIENCE MANTHAN**– Presented a Scientific poster on the history, symptoms, precautions, and treatment of COVID-19 in the national conference held in P D Patel Institute of Applied Sciences, Charotar University of Science and Technology, Changa, Gujarat, India. (**February 2020**)

AWARDS AND ACHIEVEMENTS

- **ASAB Conference Attendance Grant** - Awarded £500 travel grant for attending the ASAB Winter Conference, Edinburgh, Scotland (2025)
- **International Ethological Congress Conference Attendance Grant** - Awarded travel grant by the Koita Centre for Digital Health, Ashoka University for attending International Ethological Congress, Kolkata, India (2025)
- **ATBC Seed Research Grant** - Awarded for the ongoing PhD work on Breeding ecology of frogs in Western Ghats, (2025)
- **Department of Science and Technology INSPIRE Scholarship**, (2019 - 2024)
- Graduate Aptitude Test in Engineering (**GATE**)- Qualified GATE 2024 in Ecology and Evolution Paper (**All India Rank - 74**), (2024)
- District rank holder (**Rank-3**), Higher Secondary Examination, (2019)
- Bronze Medallist, **State-level Kudo Championship**, (2017)
